PORCELAIN ROUTES

Porcelain once traveled the world as **white gold**
carried across oceans, shaped by distant shores,
refined by craft and culture.

Each drink in this collection follows a route,
not just a place.
From calm northern waters to sun-washed coasts,
from mineral clarity to deep, aromatic warmth.

Inspired by the legacy of **KPM Berlin**,
these signatures blend precision and freedom –
crafted with balance, elegance and a sense of discovery.

*Four routes.
Four expressions.
One continuous flow between
land, sea and time.*
